

Danish Heritage Seminar

People Who Made a Difference

A Danish Heritage Seminar – Højskole in Danish – will be held at the luxurious lakeside Fern Resort on Lake Couchiching near Orillia, Ontario, from Monday, May 28 to Friday, June 1, 2012.

The theme is People Who Made a Difference – and will feature among others Stephen Leacock, Steen Steensen Blicher, Knud Rasmussen, Jean Monnet, Nelson Mandela, Desmond Tutu, Mother Teresa and Anders Fogh Rasmussen.

There will be Show and Tell, a Workshop and time to relax and enjoy the Resort's facilities. Headmasters are Pastor Jørgen Flensted-Jensen and his wife Kirsten.

The four-star Fern Resort is located about 90 minutes north of Toronto,

offering first class accommodation as well as a 5 hole golf course, Mini Putt, a health spa, fitness centre, whirlpool, two out-door swimming pools and one in-door pool, restaurant, bar, nature trails as well as kayaks and canoes which are free for the guests to use.

This year's Danish Heritage Seminar is an educational, inspiring and fun-filled course

which explores the life and activities of various people who have made a difference – on four continents.

An important aspect of the Seminar is the friendship that quickly develops among the participants from across Canada and elsewhere.

The Seminar is in English. For further information and to register please contact Rolf Christensen at 613-747-9764 or by e-mail at robuch@ca.inter.net
